

Copperpot Indian Restaurant Excursion.

31/03/2017

Following on and extending the **children's interest in** India we organised an excursion to the **"Copperpot" Indian Restaurant** for lunch.

Enjoying papadums

Watching the Naan bread being baked in the clay pot. The clay pot heats to 330 degrees and sticks to the side of the pot.

The excursion was rated a big success

Thank you to the Copperpot team that went above and beyond for Umina Kids Club.
