

Ambulance visit 14/06/2016

The children in the 3-4 year class have been exploring different occupations within our community. The children in the 3-4 years class and the 4-5 years class had the opportunity today to explore a day in the life of an Ambulance Officer. The children got to ask questions about the equipment and even got to take their blood pressure. We learnt about how to be safe and when to call 000. We all had a turn of sitting in the Ambulance.
